TO: All Pet Fanciers, Community Groups & Suppliers
FROM: Cathy Greenfield, Secretary
Earthworkers Unlimited Inc Club
SUBJECT: CHARITABLE DONATIONS

This year, one of our goals is to become more involved in donating to Health and Genetics Research for our beloved companions. In order to do this, we need your support - we can ALL benefit by giving.

Earthworkers Unlimited Inc. is a 501(c) 7 non-profit Club. We will be hosting four(4) United Kennel Club Inc. (UKC) Multi-Breed Conformation shows this Fall on August 25-26, 2007 at the Grant County Fairgrounds in Crittenden Kentucky. Along with our conformation shows we will be offering fun events, which include:

- Go-to-Ground (breed appropriate)
- Lure coursing
- Top Gun (pending) - - dogs are clocked by a radar gun

We are providing a Home Cooked BBQ and sides along with drinks on-site both days. The Fun Events, Lunch and the Raffle are open to everyone. Those that wish to join us, please indicate your choices on the attached form.

****PLEASE NOTE: **** Should you like to make a contribution, your gift will be added along with others and will help us fund research desperately needed, which in the future will help us understand inherited diseases in our breeds. A portion of our Raffle sales will be set aside for the **Canine Health Foundation**. Your donation is tax deductible.

Please mark how you wish your donation to appear on the attached form so we can list your information on our website and in our Newsletter. Checks can be made payable to **EWU** and sent to the club member below. We will be accepting your donations until **July 25, 2007**.
